Dear Parents/Carers

Morning and After School Clubs

We are pleased to provide information to you regarding our clubs running next term. We have a wonderful variety of different sports and activities for your children to try and would encourage you to have a look to see what is on offer.

The way in which we manage our clubs has changed slightly.

- 1) We take the safety and security of our site very seriously and wish to safeguard the children and the coaches during the club. This means that we need to keep the site secure whilst clubs are running. If you wish to watch your child take part in Karate, please ensure that you are here before 3.30pm. **Between 3.30 pm and 4.15 pm the gates will be locked and there will no entry to the school premises.** The gates will then be unlocked at 4.15 pm in time for you to collect your child at 4.20 pm.
- 2) No adults are required to stay on site for other clubs. Even KS1 PASS football will include getting children changed as part of their learning.
- 3) If your child is attending a morning club, please make sure that they arrive on time. Entry after 8.15 am will not be permitted as most of the club will have been missed at that point.

Thank you for your support.

Paula Masters
