Summer Reading Challenge - On Tuesday, Naomi E and Parker M from Year 5 took charge of Assembly and gave an outstanding presentation about this year's Summer Reading Challenge (Mischievous Makers), which launches this Saturday across UK libraries. Parker and Naomi have been fantastic ambassadors for this year's Challenge and are keen to get as many children involved as possible - consequently, we are offering some additional rewards for September as an incentive: two Owl Points for taking part; a Gold Holly Trees Certificate for anyone who completes the Challenge and an extra break-time if we beat last year's total. Please sign up for this fun and completely free event which runs throughout the holidays.

Piano Lessons – Mike Johnson has one space available for September. If your child is interested please contact the office and we will put you in touch with Mike. The place will be allocated on a first come first served basis. Please note that instrument lessons are offered on a peripatetic basis – the financial agreement is between parents and the teacher.

Well done to everyone for another successful and fabulous year. We wish our Year 6 pupils every success in the future and look forward to hearing their news. Have a safe and happy holiday and we will see you on Wednesday 5th September 2018
